ORDER

October 25, 2004

The Administrative Law Judge (ALJ) issued his decision and order in the above-captioned case on August 31, 2004, granting the Respondents' motions for summary judgment and recommending that the consolidated complaint be dismissed.

No exceptions to the decision were filed with the Authority within the applicable time limit. See 5 C.F.R. § 2423.40. Therefore, the Authority adopts the ALJ's decision. The findings, conclusions and recommendations of the ALJ constitute, without precedential significance, the findings, conclusions, and decision and order of the Authority. See 5 C.F.R. § 2423.41(a). All objections and exceptions are waived for all purposes.

Accordingly, the consolidated complaint is dismissed.
